MISSION TRIP PARTICIPANT COVENANT COMMITMENT

I understand that drugs, alcohol, physical and verbal violence, inappropriate physical activity, and behaviors which compromise the quality of the group experience are not acceptable. Engaging in any of these activities constitutes grounds for an immediate send-home, at my family's expense.

OUR COVENANT: I agree to help create a Christian community of love, acceptance and caring for all trip participants. I agree to participate in all scheduled activities, sharing my gifts, enthusiasm, and input. I will respect the adult leaders of the Mission Trip, following their instructions and respecting that they have the well-being of the entire group in mind at all times. I will get enough sleep at night so that I can work and be present with the group. I will love and respect the world God created, caring for it and avoiding any activity that would hurt the environment or any space that has been offered to us in hospitality.
