# January Information

**YC Evening Meetings** almost every week! (except January 1st—but please come to church and our potluck, it'll be fun!)

**Study Hall:** a great day to bring a friend! You can count on it being a fun evening. During the first part of Study Hall (5-6:15) we have one rule: keep it quiet. You can read, study, draw, craft, write poetry, or meditate while standing on your head – as long as you keep it quiet. Then we have dinner together (6:15-6:45), followed by games, singing, and check-in to finish the evening.

**Small Group Book Study:** Every year we have opportunities for extra study and exploration. Rev. Ben will be leading a Faith Exploration Program (FEP) in April and May. The Wednesday night group, for January, February, and March, will be led by Talitha and Jim, and together we will make our way through a book about the Bible, at whatever pace works for you. Dinner at 6:15 and study at 7-7:45. RSVPs appreciated!

And two important service opportunities:

**Thursday afternoons, garden work time!** Please come if you can, to help us make the Youth Group Garden ready for a new group of gardeners to dig in the dirt... the local preschoolers! It's going to be so adorably fun!

**College Avenue Presbyterian Church Dinners:**  
January 20 and February 17

We work from 4PM to about 8 PM and feed about 60-80 people, primarily homeless or very impoverished neighbors. Please sign up to come for part or all of this very important service day!
