### Campsites

Specific campsite reservations are not necessary. *However, if you wish to reserve a specific campsite you must pay each night beginning with Saturday night to reserve your site, whether or not staying in it.* We will make every effort to secure your requested site. Site maps will be available at the registration table, or can be viewed at [www.camprichardson.com](http://www.camprichardson.com). You may also choose an unreserved campsite from among our block when you arrive. Look for the "Reserved for MPC" tag on the site. If no name is indicated, it is available. All campsites are clustered together within the MPC group reservation.

Camp Richardson limits sites to 6 people, 2 tents, and 1 car. Camp Richardson may charge \$5 per night for 1 additional car. Extra cars may need to be parked offsite.

Registration for campers will continue through June 1<sup>st</sup>.

We want to reserve campsite # \_\_\_\_\_ (first choice) or campsite # \_\_\_\_\_ (second choice).
